Akron law firm **Goldman & Rosen** is celebrating its 25th Anniversary this year – and would like to give back to the community by treating 25 SCCS foster families to a free night at the ballpark, including the game and a pre-game picnic!

Please call **(330) 996-1080** by end-of-day on **Friday, June 19** and leave your family name, phone number and number of tickets needed. ***(PLEASE NOTE: the free tickets are for your immediate family and foster children within your home only).***

The names of 25 foster families will be chosen from all the names submitted. Winning families will be notified the week of June 22.

**PLUS: A foster child from one of the lucky 25 families will be selected to throw out the ceremonial first pitch before the game!**

Good luck – and please join us in thanking the law firm of **Goldman & Rosen** for their generosity!
